A Long Stay Rehabilitation Centre to support persons with severe mental illness

JYOTHI Long Stay Home

Established in 1995, Jyothi Long Stay Home caters to individuals with severe psychiatric illnesses who require extended care and support.

Residents at Jyothi, stay for an indefinite period, as mutually agreed upon by families and the Richmond Fellowship. With accommodation for 17 residents – 9 male and 8 female – family involvement is crucial, including regular visits and ongoing emotional and financial support throughout their stay.

Admission is exclusive to residents who have completed a minimum 12-month rehabilitation program at the Asha Halfway Home operated by RFS Bangalore.

JYOTHI extends care with family involvement.
